Alcohol Policy Statement

Camp Adventure™ has a ZERO TOLERANCE policy on excessive alcohol use. Anyone who exhibits evidence of excessive alcohol use is in violation of Camp Adventure™ policy.

Excessive alcohol use includes but is not limited to:
- Consuming large quantities of alcohol
- Mixing types of alcohol such as wine, beer, or hard liquor
- Participating in drinking games or contests
- Binge drinking
- Becoming intoxicated

I understand that I am expected to consume alcohol in moderation or not at all. I also understand excessive alcohol use/abuse is a safety hazard and I am a mandatory reporter regarding this issue. This means I will report incidences of excessive alcohol use by other Camp Adventure™ participants to our field support supervisor (319-504-4860) at the World Headquarters office. If I do not report such issues I will be considered part of the problem.

Finally, I understand that if I exhibit behavior of excessive alcohol use, while participating in the Camp Adventure™ program, my parents will be notified and I may be asked to return home within 48 hours.

Consumption of alcohol in front of children and youth will result in immediate dismissal. Purchase of alcohol on field trips or any instance where children and youth are present, will also result in dismissal. If a student is detained by the military or police officials, for inappropriate behavior related to alcohol, Camp Adventure™ has NO jurisdiction or authority to help you and you will be subject to their laws and regulations.

By signing below I acknowledge and agree to the above policy.
