Camp Adventure –
New Intern Paperwork Checklist

All requested paperwork items need to be turned in to the Camp Adventure office at least 2 months before your anticipated departure. Some of these items are due before that date. These items can be turned in hard copy via the return envelopes provided to you or turned in via email to campa.paperwork@uni.edu as PDFs or clear, well-lit pictures (JPEGs). Keep a copy of each item you turn in to the Camp Adventure office as you may be asked for a copy if the original is misplaced during transit and processing. If you have any questions regarding your paperwork contact Ashley Sawyer at lekara@uni.edu.

Note – Not having all paperwork in by the listed due date will affect your ability to receive/retain your placement. This is due to different placements needing different paperwork items to be processed for visas, base access, or additional security/background checks. If we cannot process you for a particular placement because you do not have the necessary paperwork items in you may be removed from that placement.
